

**Exercise 2: Citation Form**  
(due October 7, 2008)

Based upon the information provided below, prepare citations for the following cases in ALWD form, as the citations would appear in an office memorandum.

- Note that parallel citations to official reporters are required only in documents to be submitted to a state court, *see* ALWD Rule 12.4(b), so you should not provide such parallel citations here.
  - Assume that the citations you are preparing will appear in citation clauses or sentences, and abbreviate words in party names according to ALWD Rule 12.2(e)(3). (That rule says that words listed in Appendix 3 *may* be abbreviated. For purposes of this exercise and other assignments in this course, however, treat that rule as requiring rather than merely permitting abbreviations. For example, in #2 below, abbreviate “National” as “Natl.”)
  - Unless otherwise stated, provide complete citations rather than short forms, but omit subsequent case history ordinarily required by ALWD Rule 12.8.
  - Use only the information presented here to prepare the citations; you need not look up the cases in printed case reporters or online.
  - The answer to #1 below is posted at [www.lawyeringskills.com/answer2](http://www.lawyeringskills.com/answer2). Check your answer there before completing the remainder of the exercise.
