

Exercise 4: Citation Checking
(due April 5, 2010)

Look up each of the following cases, either in a print reporter or on Lexis or Westlaw, to find any missing information needed to construct a complete citation (e.g., parties' correct names, court, date, citation to correct reporter, etc.). Then use an online citator service (Shepard's Citations on Lexis or KeyCite on Westlaw) to determine whether the case has any subsequent history that must be included under ALWD Rule 12.8. Finally, write the citation for the case in ALWD form, including the subsequent history.
